

VHG

Hot Water > Electric Powered > Natural Gas or LP Heated

Compact but heavy duty, this natural gas model's footprint is a mere 24" x 53" for the smallest unit, making it an ideal choice for congested work areas or wash bays where space is at a premium. The small size makes it no less efficient; with cleaning power up to 3000 PSI and 4.8 GPM, this machine delivers enough cleaning action to tackle a variety of challenges, and includes an optional wireless remote control. The VHG is especially adept at cleaning and maintaining the appearance of the dirtiest fleet or construction equipment.

- Belt-Drive Landa Pump with 7-year warranty
- Patented Cool-Bypass*
- Smart control provides control over run time, auto start/stop and shutdown functionality
- Optional wireless remote allows users to work up to 300 feet away
- Landa Trigger Gun

*Patent US 8,496,188 B2
